THIRROUL SURF LIFE SAVING CLUB INC.

Vigilance and Service

ABN: 82 153 254 056

NOTICE TO ALL MEMBERS:

The AGM of the Thirrour Surf Club will be held at the club on site on Sunday 11 October at 4:00PM with appropriate safeguards in place to meet the current social distancing requirements. This may be subject to further restrictions.

AGENDA:

1. Apologies
2. Confirmation and adoption of the 2019 – 2020 annual general meeting minutes.
3. Business arising from the 2019 - 2020 annual general meeting minutes
4. Presentation, consideration, and adoption of the 2019 – 2020 annual report.
5. Presentation, consideration, and adoption of the 2018 – 2019 and 2019 – 2020 audited financial reports.
6. Election of 2020 – 2021 committee (Sports Director position vacant on board) (All other Non-Director positions for election)
7. Nominations for life membership.
8. Nominations for meritorious awards.
9. Items of due notice: (motions 1, 2 and 3)

Motion 1:

In line with Branch and SLS NSW requirements, we pass a motion that affiliation be sought for the 2020–2021 season with SLS Illawarra/New South Wales. Further, that the articles, Constitution, bylaws, regulations and resolutions, together with the awards and equipment of Surf Life Saving Australia Ltd and /or affiliated state/territory centres and/or branches, be accepted without reservation.

Motion 2:

That Thirrour SLSC's membership fees for the 2020 E. – 2021 season will be:

- **Single active/associate membership** equals \$70 per person (no increase) includes up to 3 people from the same family E.G to A plus 1C; 1A plus 2C.
- **Family membership** equals \$240 (no increase) - includes 4 family members 1 of whom must be a parent e.g. 1A plus 3C; to 2A plus 2C and includes dependent children up to 18 years old as at 1 October – then additional family members equals \$60 each (over and above the \$240).
- **Gym membership** equals \$430 per year

Swiper (for members who require swipe access to the building) equals \$20 per swiper

Payment method – membership fees to be made via the portal. Direct debit no longer available as a payment option.

Motion 3:

That Thirrour SLSC's competition levy for the 2020 – 2021 season for all junior, youth, open, masters and IRB competitors will be:

- patrolling members \$40 per person
- non-patrolling members \$100 per person

10. Urgent and immediate general business.

2. Appreciations

The Club Executive and members would like to thank and express our appreciation to all those who have contributed to our Club during the 2019-20 season. In addition to our major sponsors and supporters, we would like to thank local community members and businesses who supported Thirroul Surf Life Saving Club during the 2019-20 season, including people who made donations, bought a sausage sandwich or Chillaxed with us on a Sunday afternoon!

5. President Report

By Ian Sakoff

First may I say what an honour it is as a long time Thirroul Surf Club member to present this season's President's annual Report.

And what a different season it was, starting with the severe bushfires along the east coast, soon turning into coastal flooding and then an early finish to the season due the COVID-19 pandemic. The IRB team was deployed to the south coast to assist with evacuations along the coastline during the bushfires, the callout team was deployed on several incidents including a boating tragedy off Bulli Point (Peggies), our patrols were busy with multiple rescues requiring ambulance assistance and then we had to organise shutting down the club with the uncertainty of the COVID-19 virus. These incidents highlighted to me how well the club united, not only as a surf club but now as an accredited Emergency Service Agency.

I must thank our executive committee: Jeff Body, Chris Adams, Kim Adams, Kim Shipton, Nigel Rowe, Jason Cross and Jen Norbury. In addition thanks must also go to our active Role Position Holders Alison Montgomery, Michelle Emmett, Roy Wakelin-King, Tor Westley-Wise, and Julie Turner. Together we ensure our club runs smoothly. We all appreciate this would not be possible without all the members who contribute, from Patrol Captains to Callout Team Members, from Nipper Age Managers to our Water Safety Team, COVID Cleaners to Gear Stewards, Bar Staff to Gym Managers, Registrar to Clothing Coordinator, Coaches and BBQ helpers. It is all of us that make Thirroul Surf Club the great club it is.

In our competition arena our Masters female team celebrated 40 Years of Women in Surf Life Saving by medalling in both individual and team events. This is a first in our club's history so onto the honours board you go Michelle Emmett, Tor Westley-Wise and Di Gillett. Well done.

Ross Taylor represented us well as always, winning 4 gold medals and thus winning the Illawarra Branch Masters Competitor of the Year Award so qualifying for state nomination.

Our masters as a whole team excelled with 15 out of 16 competitors medalling which resulted in our club achieving 7th in the club championship point score. Our best placing ever!!!

So, without knowing it these competitors are inspiring our next generation of active members including our junior, youth and open competitors who did very well in a tough competition. Jayden Beaumont did exceptionally well, being selected for the NSW Junior Development Academy. Elise and Jayden Beaumont, Jack Wilson, Georgia Petty and Meg Fox were selected for our Illawarra Team. It would have been even a better year competition-wise but COVID-19 cancelled the Branch Titles that we were hosting. It's the first time they have been cancelled ever!!! Jason Cross and Jeff Wall had done a lot of pre-planning for the carnival so should be commended for their work.

This follows into our in-house competitions where we were required to think outside the square to continue training during COVID-19 by completing set courses individually with a monthly timed winner. These activities were beneficial both physically and mentally for us during the COVID-19 restrictions. Away from competition we have tried to develop towards the future with our succession plan geared at keeping our youth and nipper members. Jennifer Norbury and her team have done a great job with strong junior numbers in sometimes trying circumstances on Thirroul Beach, while our youth were involved in Illawarra Branch outings to Jamberoo Recreation Park, Laser

Thirroul Surf Life Saving Club Inc.

Tag and Flipout. Our goal is to keep our teenagers involved, not only for the club but for the kids and parents, as we all know the “surf club” environment is a great place for teenagers to be.

In terms of our building works, there is no sugar coating anything. Dealing with Council to progress our grand vision of an open plan clubhouse, that will cater for nippers, board/ ski area at the front and our gym at the rear of the club, has been a frustrating experience. I commend the building committee that keeps persisting to achieve the best for our club.

The surf club does need money to operate successfully for the season so with this in mind we are very grateful to our sponsors especially this year the IMB Bank who donated our new SSV (beach vehicle), Brown Accident Repair Centre, Grand Pacific Homes, IGA and Ryan’s Hotel for their ongoing support. Please support our sponsors as they do us.

This season, life member Ray Young and Aileen Laughlin passed away. We remember their contributions fondly over the years and pass on our condolences to their friends and family.

So to conclude, 2019/20 has been a very different year for us all, but I am glad to pass on to members that Thirroul Surf Club is continuing to operate and serve the community at a very high standard.

Thanking all members for their contributions.

Regards,

Thirroul Surf Life Saving Club President
Ian Sakoff

6. Director of Administration Report

By Christopher Adams

I want to start with a wholehearted thank you to everybody, for your time, support, and efforts during the 2019/20 season. What a generous group of people you all are, to freely give up your time, for the benefit of others.

I would like to acknowledge the efforts of all the members, past and present, that got the club to where it is now.

Another interesting and busy year (my 3rd) ensuring that we meet our administrative obligations for a Not for Profit entity and overseeing the compliance of our organisation.

This year most of TSLSC board positions were filled at the AGM with the exception of Sports Director and during the early part of the season, Jason Cross took on the role with great enthusiasm until he had to return to his home country.

This year I have been continuing to learn all the requirements of the role of Director of Administration. One of the difficulties is that there was no real handover from the previous Role holder, and I am most grateful to Tor Westley-Wise and Jeff Body for their assistance in attending to the responsibilities of the position.

I would like to personally thank the club sponsors as they continue to support our club in our life saving activities and look forward to further proposed sponsorships currently before the board.

As a director I take this role seriously at TSLSC and I will always do my best for the club and for all the members.

I would like to thank all the directors who work so hard on our board for this club and all the members who support me in this role.

Let's all look forward to a better 2020-2021 season for all members without COVID-19.

7. Lifesaving

By Nigel Rowe

A very successful season on Thirroul Beach, all of our patrollers did an excellent job of keeping our beach safe throughout the 2019-2020 season. Unfortunately our season was cut short due the Corona virus pandemic with the final patrol for the season being early March.

The following patrol captains should be acknowledged for their hard work, great organisation and patrol guidance throughout the season, especially Craig Fairbrother for taking on the patrol captain role for patrol 5:

Patrol 1 – Victoria Westley-Wise

Patrol 2 – Emma Lockhart

Patrol 3 – Ken Café

Patrol 4 – Chris Stuart

Patrol 5 – Craig Fairbrother

Patrol 6 – Steve Gibbeson

Patrol 7 – Rod Landy

Thanks also to our Saturday Patrollers and our Active Reserves.

Ken Café from patrol 3 also achieved over 45 patrol hours for the season, a lot of extra hours were done by many members which is great to see with 24 of our members also doing 100% patrols.

We had a busy season with a lot of visitors to our beach with heatwave temps through most of January and February. Twenty three rescues were carried out by our members over the season, and 397 preventative actions. Patrol teams also completed 41 first aid treatments which was mainly made up of marine stings and cuts/abrasions.

We welcomed a number of new patrolling members that have gained their Bronze Medallion or Surf Rescue Certificates throughout the season which will be a huge boost to our patrols and will assist us with patrolling numbers for next season ensuring we keep a safe and enjoyable environment for everyone.

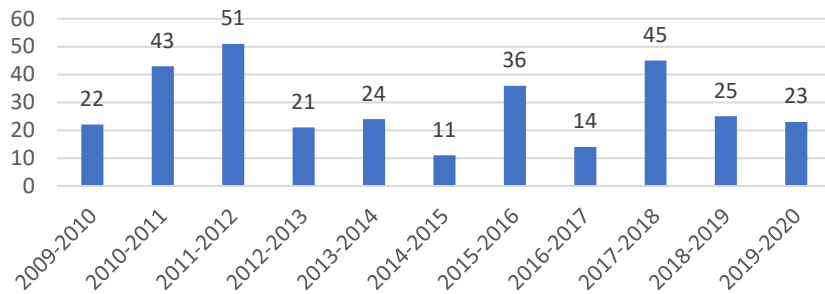

Congratulations to our other members who have advanced their skills by gaining further awards in Beach Management and Silver Medallion (IRB).

Nigel Rowe – Club Captain

Director of Lifesaving

Number of Rescues recorded by
Thirrour Patrols each season, 2009-
2020

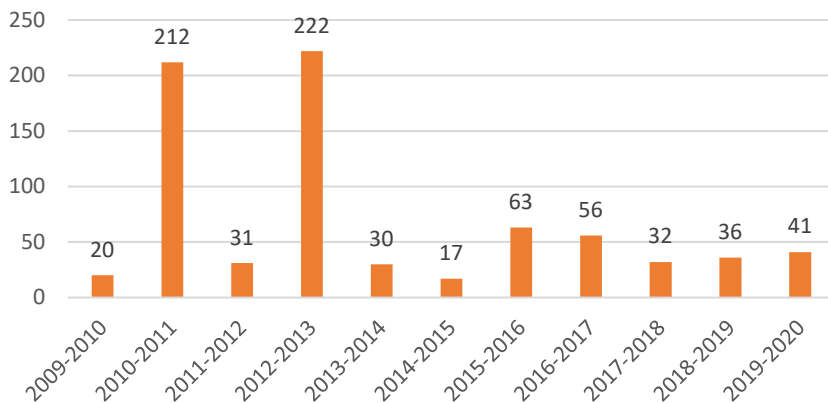

In 2019-2020

23 Rescues

were recorded. This is about average for the last few years.

Number of First Aids recorded by Thirrour
Patrols each season, 2009-2020

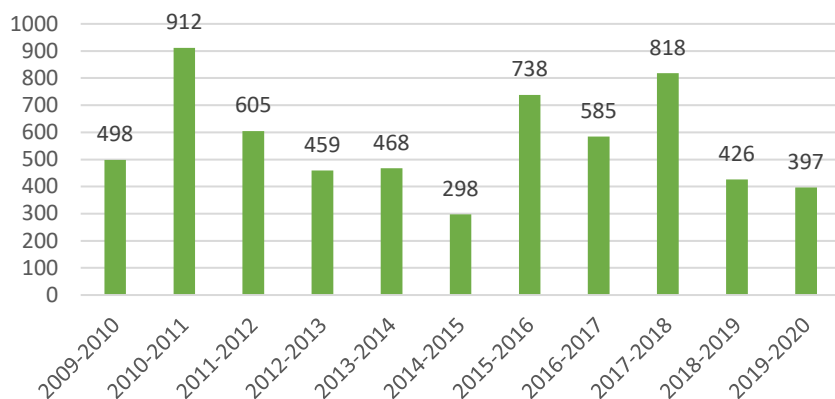

In 2019-2020 Thirrour
Patrollers recorded

**41 First Aid
treatments**

This similar to the last few
years.

Number of Preventative Actions recorded by
Thirrour Patrols each season, 2009-2020

In 2019-2020 a total of

**397 Preventative
Actions**

were recorded.

This is less than the
average for the last few
years.

8. Inflatable Rescue Boats

By Alison Montgomery

The 2019/2020 season of patrols, education and emergency call outs has kept our IRB motors running smoothly and crews up to date and fluent in their rescue skills and surf knowledge.

Congratulations to the members that advanced their skills by obtaining their crewman certificate and/or drivers silver medallion. Each member should be proud of the skills and qualifications they have earned as these play an important role in keeping our beaches, members and community safe. Our dedicated patrolling members utilised the IRBs to assist in rescues, preventions, event water safety and emergency after hours call outs in the area.

During the devastating 2019 bushfires four members of our emergency response team responded to an emergency call to assist the Sussex Inlet and surrounding communities with our IRB and first aid equipment. These members were tasked to provide assistance where needed as the fires continued to threaten the small towns. Our members worked in collaboration with other IRB crews from the Illawarra and local Sussex Inlet clubs. Through the extreme hard work of the RFS the fires were kept under control and the IRB crews were able to return home safe after a few days of service.

On the long weekend in June, Thirroul call out team members answered the call for our IRBs and crew members to assist other emergency services in a major search and rescue operation after a boat capsized off Bulli. Our lifesavers teamed up with over 65 other Illawarra lifesavers to conduct the search for a missing person. This was possibly one of the biggest Surf Lifesaving operations in recent history with the number of members and assets involved from many Illawarra clubs.

Due to COVID-19, the IRB racing season did not go ahead as planned and was pushed back with the possibility to run at the end of August 2020. The racing calendar was condensed to be able to run before the start of the new season in September. The proposed calendar will consist of one round, state IRB titles and a possibility of the Australian IRB championships.

I would like to congratulate all members who utilise our IRBs throughout the season for displaying outstanding teamwork rescue skills and professionalism.

Alison Montgomery
Thirroul SLSC IRB Captain

Vale Jim Starkey

Jim was an amazing friend and surf lifesaver to many in Thirroul, Towradgi and broader clubs throughout Australia. The Towradgi and Illawarra Branch Life Member has been a mentor to many IRB Teams and an integral part of IRB development over many decades. RIP Jimmy and thank you for the memories.

9. Education

By Kim Shipton

The 2019/2020 season has seen many of our members gaining awards through Surf Lifesaving, not only run at our club but across the Illawarra Region. Some of these awards include: Advanced Resuscitation Techniques, IRB Crew and Silver Medallion IRB Driver and Silver Medallion Basic Beach Management, Bronze medallion and Surf Rescue Certificates. The junior members received various awards, such as: Surf Aware One, Surf Aware Two, Surf Play One, Surf Play Two, Surf Safe One and Surf Safe Two.

It was great to see that our class size for both the SRC and Bronze Medallion were quite large, with many of the Bronze candidates also completing the IRB Crew certificate. This means for our club that the overall affect, are stronger patrols on the beach allowing us all to complete our core business.

Our SRC contingent for 2019/20 were a very determined bunch and had to brave the cold water and delays in assessing due to the surf conditions and COVID-19 shut down. Regardless, they all persevered with the course and were all awarded the Surf Rescue Certificate.

Likewise, the Bronze Medallion group, were also a hard-working class, who spent many weeknights and weekends completing their training. Some of these times in trying surf conditions.

Congratulations to the following for their attainment of the Bronze Medallion.

Congratulations also need to go to all members who achieved skills maintenance awards. The club tested the new online application, which proved to be a success with over 100 active members upskilling to take part in 2010/2020 patrols.

Special thanks need to go to our proficient delegates who have assisted me this year with training and skills maintenance. In looking forward to 2020/2021, we have continued to see large class sizes with new and existing members gaining new awards, which will ultimately lead to a stronger club.

11. Surf Sports

A promising 2019/20 season of training and competition opened with the arrival of Jason Cross, Sports Surf Co-ordinator and current Canadian National SLS coach. Jason enhanced his early lifeguard experience in Nova Scotia with stints as a professional Lifeguard with WCC and Gold Coast Councils in the 1990's. He went on to represent and captain Canada at six World Championships. His myriad of national titles includes nineteen individual ironman wins. He was also a member of the Thirroul winning surf team, board relay and third in the ironman the NSW State Masters in 2020. The training programme encompassed board, ski and surf swim sessions, complemented with a weekly sprint session on the grass.

In the early Sydney Water carnivals during November the nipper, youth, open and masters recorded some pleasing results with a number of victories in the surf and on the sand. This resulted in the following members gaining selection for the Interbranch team for the annual event hosted by Bulli in 2019: Jayden Beaumont, Jack Wilson, Georgia Petty, Elise Beaumont and Meghan Fox. All were successful in either individual or team events.

An indication of the surf skills and depth of the club's youth team competitors saw nine of them successfully employed onto local council professional lifeguard rosters for the summer of 2019/20. The pinnacle for the competition year was to see Thirroul host the 2020 branch carnival. The highly experienced team of club members assembled under Jason's direction created a template that targeted a revitalisation of this annual event. Unfortunately, an East Coast Low weather pattern in successive weeks foiled the plan and the event was abandoned due to huge seas and a sand less beach. Their efforts have been rewarded with the Illawarra Branch SLS executive requesting us to host it again in 2020/21.

A few weeks before the state titles on the Central Coast at Swansea Belmont, as we now know, the COVID-19 virus was heading for pandemic proportions worldwide leaving the state titles as the last competition for the year. Subsequently all national and international SLS competitions were suspended indefinitely.

Four nippers travelled up the highway to Swansea, three for their first go in the "big time". Jett Blue, James and Lucas Meades competed well and Zoe Wilson, an old hand also did well in her age group. The youth and our very young open competitors competed well but fewer numbers restricted their ability to contest team events.

Under 14 Jack Wilson had shown form all year on the paddle board, especially at Interbranch, that indicated he could be a medal contender at the state and Australian titles. After qualifying comfortably for the final Jack led to the first turning can but in the usual melee around the cans at this level of competition, he lost his position to finish disappointedly near the rear. Dylan Gillett qualified for the U19 board final in a race where any of the sixteen had a chance of victory. His seventh, in a blanket finish, confirmed his status as a young, preeminent board paddler.

Meg, Jett, Jake, Eryn, Kayde and Sienna went around the tins numerous times but didn't manage any finals. It is tough at the top!

Thirroul Surf Life Saving Club Inc.

And so to the Masters with a capital "M". This group meet and train in large numbers on a Saturday morning sometimes numbering forty starters. Although competitive numbers have dwindled in recent years sixteen members contested the state titles. Fifteen of them won medals in individual and/or team events.

We contested one beach event yet finished seventh on the points table easily eclipsing the strong Sydney clubs in the ratio of medals won/to number of competitors. The high point saw Michelle Emmett, Di Gillett and Tor Westley-Wise bring home a bronze in the 150 yo female team board relay. A first ever for women in Masters competition for Thirroul. Ross Taylor later was awarded the Illawarra Branch Master of the year for his efforts.

In a final summation, although the club is a sum of its many parts, this effort from the masters, many with no background in surf competition, is indicative of the strength of our beach patrols. Strong, efficient patrols are defined by a comprehensive ability to navigate a rescue board through the inshore break and effect a rescue. Thirroul dominated the board events in all of the contested age groups at the State Masters Titles.

Jeff Wall. Thirroul. Jason Cross. Halifax. Nova Scotia.

13. John Kosten Function Room

By Alison Montgomery

The John Kosten function room was in full swing at the start of the 2019/2020 season. With a calendar full of bookings and a continuous stream of new bookings coming through, we saw our 2020 and 2021 schedule filling up fast, then COVID-19 hit and shut everything down.

The John Kosten room was host to a number of the clubs chillax sessions, nipper fundraisers, member education and training sessions, weddings, presentations and personal celebrations. Our function space is a very popular choice for our members, locals, interstate visitors and professional suppliers to host their events. Our unique set up and location attracts lots of positive attention for our community and provides major financial support for our club. Prior to COVID-19 restrictions, we saw the courtyard gardens get a revamp

with native plants and woodchip. Solar garden lights, irrigation and garden décor to be installed at a later date. A big thank you to Rob Wardlaw for the expert knowledge and helping hand and Rod Landy for maintaining the grass and garden on a regular basis.

Our Thirroul SLSC website is updated regularly with function information, photos and videos. This media platform has been popular for enquiries, feedback and future bookings.

The environbank recycling scheme cage in the courtyard is continuing to prove to be a successful fundraiser for our club. All the bottles and cans from the functions and nipper activities are collected and cashed back to us directly.

The COVID-19 restrictions forced majority of our functions to reschedule into 2021 and a few to functions had to cancel. This has had a negative impact on the revenue the club would normally see during the peak event season. During this testing time our COVID-19 Safety officer Roy Wakeling- King and Functions Coordinator Alison Montgomery have worked closely with all our hirers to ensure everyone is cared for and all restrictions, policies and procedures are being followed.

The successful running of the function space would not be possible if it wasn't for the assistance of so many of our members ensuring our club and function space is presented proudly to our guests and community. Your dedication is very much appreciated.

Alison Montgomery - Functions coordinator

14. Snippets of the Season

15. Finance Report

By Kim Adams

The committee decided to upgrade the subscription for MYOB to the cloud version. This will allow easier transfer of files at handover of the position in the future. It also allows accountants to have easy access to financial records for auditing purposes.

Attached to this report is the Club's Financial Report for 30th April 2020 produced by HLB Mann Judd.

Income from registrations remained on par with the previous year being 26.3% of income sources.

In November 2019, the club received a grant of \$15,000 from IMB for the purchase of a new ATV, total cost being \$18,844.20. The old ATV was sold for \$7500.00.

Unfortunately, due to inclement weather, the scheduled Branch Competition of which our club was the host were unable to be held meaning some loss of anticipated revenue.

During 2019-2020, the hiring of the function centre continued to be a great source of income to the club bringing in 23.6% of our income and the club acknowledges the effort that our Function Coordinator, Alison Montgomery, contributes to the successful hiring of the space, in particular as a wedding function centre, even with cancellation due to COVID-19 restrictions which affected April bookings. The real effect on loss on income from the function centre due to COVID-19 will be felt more in the 2020-21 figures with many functions not going ahead in recent months. Fortunately, at this stage many have been postponed rather than cancelled.

Income from junior activities total is approximately 12% of our income. The club purchased 10 new nipper boards as current stock was showing wear and tear, along with 2 Junior Surf ski boards to encourage diversity in our juniors.

Moving forward, the committee has given approval for purchase of a new IRB - \$15,455.

Thank you for the opportunity to be involved in the club in this capacity.

Kim Adams

Director of Finance

Thirroul Surf Life Saving Club Incorporated

**FINANCIAL REPORT

Director of Surf Sports	Troy Beaumont	4 August 2019		
Director of Surf Sports	Jason		4 August 2019	
Director of Lifesaving	Anne Walton & Nigel Rowe			

Principal Activities

The principal activities of the club during the financial year were to provide Surf Life Saving services on Thirroul beaches and provide clubhouse facilities and life-saving equipment to members.

Significant Changes

No significant change in the nature of these activities occurred during the year.

Operating Result

The club traded at a loss of \$10,950 for the year ended 30 April 20. The prior periods profit amounted to \$103,692.

Signed in accordance with a resolution of the members of the committee.

THIRROUL SURF LIFE SAVING CLUB INCORPORATED
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
AS AT 30 APRIL 2020

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act NSW and the Australian Charities and Not-for-Profits Commission Act 2012. The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following material accounting policies which are consistent with the previous period, unless otherwise stated, have been adopted in the preparation of this financial report.

Revenue

Donations and bequests are recognised as revenue when received, unless they are designated for a specific purpose, where they are carried forward as prepaid income on the balance sheet.

Interest revenue and distribution income from investments are recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

All revenue is stated net of the amount of goods and services tax (GST).

Inventories

Inventories are measured at the lower of cost and current replacement cost.

Inventories acquired at no cost, or for nominal consideration are valued at the current replacement cost as at the date of acquisition.

Income Tax

The association is, for income tax purposes, a Charitable Institution. Its income is therefore, exempt from income tax under Section 50.1 of the *Income Tax Assessment Act 1997*.

Fixed Assets

Leasehold improvements and office equipment are carried at cost less any accumulated depreciation where applicable.

The depreciable amount of all fixed assets are depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use. Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

Comparative Figures

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation of the current financial year.

The accompanying notes form part of these financial statements

THIRROUL SURF LIFE SAVING CLUB INCORPORATED
STATEMENT BY MEMBERS OF THE COMMITTEE

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the committee:

1. the financial report, as set out in this report, gives a true and fair view of the state of affairs of the Association with respect of fundraising appeals;
2. the financial report, as set out in this report, presents a true and fair view of the financial position of the Association as at 30 April 2020 and its performance for the year ended on that date;
3. the financial report, as set out in this report, complies with the provisions of the Act, the regulations under the Act, and the conditions attached to the fundraising authority;
4. the internal controls exercised by the Association are appropriate and effective in accounting for all income received and applied by the Association from its fundraising appeals; and
5. at the date of this statement, there are reasonable grounds to believe that the Association will be able to pay its debts as and when they fall due.

Signed in accordance with subsection 60.15(2) of the *Australian Charities and Not-for-Profits Commission Regulation 2013*.

President

Director of Finance

Dated: 8-10-20

INDEPENDENT AUDIT REPORT

TO THE MEMBERS OF THIRROUL SURF LIFE SAVING CLUB INCORPORATED

Qualified Opinion

I have audited the financial report of Thirroul Surf Life Saving Club Incorporated ("the Entity"), which comprises the balance sheet as at 30 April 2020, the income statement, and notes to the financial statements, including a summary of significant accounting policies, and the declaration by the Management Committee.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section, the accompanying financial report of the Entity is in accordance with Division 60 of the *Australian Charities and Not-for-Profits Commission Act 2012*, including:

- a) giving a true and fair view of the Entity's financial position as at 30 April 2020 and of its financial performance for the year then ended; and
- b) complying with Australian Accounting Standards to the extent described in Note 1 and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

Basis of Qualified Opinion

As is common for organisations of this type, it is not practicable to maintain an effective system of internal control over donations, subscriptions and other fund raising activities until their initial entry on the accounting records. Accordingly, our audit in relation to fundraising was limited to the amounts recorded.

The Entity's inventories are carried in the statement of financial position at \$24,106. This is a Committee's valuation based on a report prepared by the Entity. I was unable to obtain sufficient appropriate audit evidence about the balance of inventory at 30 April 2020 because we did not attend the stock take.

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of my report. I am independent of the Entity in accordance with the auditor independence requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants ("the Code") that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I confirm that the independence declaration required by Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, which has been given to the Management Committee, would be in the same terms if given as at the time of this auditor's report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist Thirroul Surf Life Saving Club Inc to meet the requirements of the *Associations Incorporation Act NSW* and the *Charitable Fundraising Act* for the purpose of fulfilling the committee's financial reporting responsibilities. As a result, the financial report may not be suitable for another purpose.

Responsibilities of Management Committee for the Financial Report

Management is responsible for the preparation of the special purpose financial report that gives a true and fair view in accordance with the relevant Australian Accounting Standards in accordance with the *Australian Charities and Not-for Profits Commission Regulations 2013* and the *Australian Charities and Not-for-profits Commission Act 2012* and for such internal control as management determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the special purpose financial report, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intend to liquidate the Entity or to cease operations, or have no realistic alternative but to do so.

The Management Committee are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- I communicate with the management committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.
- I also provide the management committee with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

Ben Feck
Register Company Auditor
Date: 8 Oct 2020

On the basis of the information provided by the Committee of Thirroul Surf Life Saving Club Incorporated, we have compiled the additional information of Committee of Thirroul Surf Life Saving Club Incorporated being the summaries of the trading and profit & loss statements for the year ended 30 April 2020.

The specific purpose for which the additional information has been prepared is to provide additional information to the members.

The additional information is in accordance with the books and records of Thirroul Surf Life Saving Club Incorporated which have not been subject to the auditing procedures applied in our statutory audit of the Club for the year ended 30 April 2020. It will be appreciated that our statutory audit did not cover all details of the additional information. Accordingly, we do not express an opinion on such financial information and no warranty of the accuracy or reliability is given.

Our procedures use accounting expertise to collect, classify and summarise the financial information, provided by the directors of the Club, into a financial report.

The special purpose financial report was prepared for the benefit of the Club and its members and the purpose identified above. We do not accept responsibility to any other person for the contents of the special purpose financial report.
